Commissioner William J. Ellis
Department of Institutions and Agencies
State of New Jersey
Trenton, New Jersey

Dear Mr. Ellis:

Thank you for your letter of April 14th. It is good news indeed to learn that you may be able to vacate a ward in the Prison Hospital and thus eliminate the necessity of putting on additional guards.

We will take steps to secure a day and night nurse during the experimental period, for I am sure that their services will be necessary.

I note that you believe that it may be possible to work out your program so as to begin on or about May 15th.

Sincerely yours,

John R. Paul, M.D.
Director
