Dr. Albert B. Sabin  
The Children's Hospital Research Foundation  
Elland and Bethesda Avenues  
Cincinnati, Ohio

Dear Doctor Sabin:

I am inclosing herewith your manuscript entitled "Human Infection with Rift Valley Fever Virus and Immunity 12 Years after a Single Attack" which has been stamped for release for publication by the War Department Bureau of Public Relations.

The Army Medical Research and Development Board, Office of The Surgeon General, desires 200 reprints of the article, without covers. Please include an item for this in the reprint order when you return the galley proof and give instructions to have the reprints shipped to: Office of The Surgeon General, U. S. Army, The Pentagon, Washington 25, D. C., Attention: Major Edward H. Vogel, Jr., Army Medical Research and Development Board.

When the article is accepted for publication, please let me know the name of the journal and I shall have a follow-up purchase order sent to cover the cost of the reprints for the Army Medical Research and Development Board.

You are requested to notify the Chief, Technical Information Division, Office of The Surgeon General, Room 2D260, The Pentagon, Washington 25, D. C. and the Librarian, Army Medical Library, Seventh Street and Independence Avenue, S.W., Washington, D. C., by letter when the article is published, giving the title of the article, the name of the journal, and the date of publication. You are requested, also, to send the Librarian a reprint of the article.

Sincerely yours,

EDWARD H. VOGEL, JR.
Major, Medical Corps  
Assistant Administrator  
Army Epidemiological Board
