MEMORANDUM FOR: MEMBERS, ARMED FORCES EPIDEMIOLOGICAL BOARD

SUBJECT: "History of the Medical Department, World War II"

At the executive session of the Board, Doctor Dasmak asked that a catalogue of the volumes of "History of the Medical Department, World War II", be sent to each member with the request that each return a list of the volumes he would wish to have if they would be obtained gratis.

When the desires of all are known, the possibility of obtaining them will be explored.
