4 December 1946

Maj. Edward H. Vogel, Jr.
Army Epidemiological Board
Office of the Surgeon General, War Dept.
Room 25289 Pentagon Building
Washington 25, D.C.

Dear Major Vogel:

I am forwarding herewith 2 copies of a paper entitled:

"Mosquito Control Problems in Japan"

by

H. F. Gray

representing work done under the auspices of the Virus and Rickettsial Disease Commission. This paper has been approved in this office.

I will appreciate it if it could be reviewed in the Surgeon General's Office and subsequently, if one copy could be returned to:

Mr. H. F. Gray
Mosquito Abatement District - Alameda County
1-A Court House
12th and Fallon Streets
Oakland, California

Yours respectfully,

John R. Paul, M.D.
Director
