15 December 1944

Dr. George Draper,
Dept. of Medicine,
College of Physicians and Surgeons,
Columbia, University,
New York, New York.

Dear Doctor Draper:

Will you be kind enough to send us two reprints of the following:

Variation in behavior of buffy coat cultures among individuals of different constitution types;

Very truly yours,

Elizabeth H. Brinkman,
Administrative Assistant
to Lt. Col. A. B. Sabin, M.C.
