Dr. Albert B. Sabin  
The Childrens Hospital Research Foundation  
University of Cincinnati, College of Medicine  
Cincinnati, Ohio

Dear Dr. Sabin:

We take pleasure in sending you with our best wishes a copy of "Bacterial and Mycotic Infections of Man," edited by Rene Dubos.

This is the companion volume to "Viral and Rickettsial Infections of Man," to which you contributed, and a copy of which was forwarded to you recently.

With much appreciation of your cooperation,

Sincerely,

J. B. LIPPINCOTT COMPANY
