Dear Albert:—Just a few lines to say hello, and
tell you I'm now with the 2nd Co. We are out on
the rifle range, 7 miles from main camp, for the
week, and even the doctors (3 of us) have to shoot.

Although my score today wasn't so hot.

There are 1164 men and 37 men in this battalion, and
we are going overseas in the next month or two,
though I do not know whether the Atlantic or
Pacific.

If you find time, drop me a line, will you? I have not heard from you in a long time.
How is Sylvia? Give her my best regards.

I spent the summer in Philadelphia, and it was so
hot it is a relief to get up here in New
England where it is cool. But here we are living
in "quonset" huts, 6 to 8 men each. But they are
quite comfortable.

Drop me a line some day—it will follow—

With best regards,
