May 1, 1936.

Dr. Albert B. Sabin,
Fellow in Medicine,
American National Research Council,
Washington, D.C.,
U. S. A.

Dear Dr. Sabin,

Would you kindly send me a reprint
of your paper on Physiological or Structural Host
Factors in the Peripheral and Central Nervous System
Influencing the Invasiveness of Certain Neurotropic
Viruses and Their Possible Role in Epidemiology of
Poliomyelitis, given at the Boston meeting last
month.

Yours very truly,

[Signature]

I enjoyed your diagrams very much.
