NEW YORK

February 15, 1945

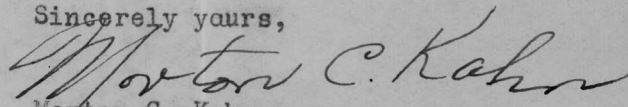

Lt. Colonel Albert B. Sabin
The Rockefeller Institute for
Medical Research
Princeton, New Jersey

Dear Colonel Sabin:

I have received the four slides of *Phlebotomus papatasi* you so kindly sent to me. I am sure they will be of great assistance to my class in parasitology.

Thank you for your kindness.

Sincerely yours,

Morton C. Kahn
Associate Professor of
Public Health and
Preventive Medicine
