## INSTRUCTIONS FOR PROCESSING PROOF

- Step 1. Read the original set carefully, entering any errors directly on the proof.
- Step 2. Answer any queries which appear on the proof.
- Step 3. Complete the blue contributor card provided.
- Step 4. Return the following to Abraham Braude, M.D. at the address shown below.

### Items to be returned:

Original galley proof  
Manuscript  
Illustration dummy  
Completed contributor card

Abraham Braude, M.D.  
Professor of Medicine and Pathology  
University Hospital  
225 Dickinson Street  
San Diego, CA 92103

The main reason an author is asked to read proof is to insure accuracy. Material may be updated where appropriate, but rewriting is to be avoided. Elective changes are not only costly, but they are time consuming and may jeopardize timely publication of this book.

Your processing of these materials within two weeks of receipt is very much appreciated
