Dr. Albert B. Sabin  
Adviser, Polio 2005 Committee, R.I.  

Dear Dr. Sabin:  

Just a brief note of thanks for your arranging the meeting at the Cosmos Club in Washington. By the time you will have received this letter, John Sever will probably have briefed you on the next steps in our effort.  

The purpose of this letter is to formally ask you to serve on the search committee for the team director and members for the Rotary International Immunization Task Force. While this was implied in my letter to John Sever because you are adviser to the Polio 2005 committee, I want to clarify it by means of this letter.  

In Vienna I spoke with Dr. Carlos Canseco, and he feels that the search committee should run its course.  

We appreciate your continued help and leadership. I am quite enthusiastic about the forthcoming announcement by PAHO, and the good probability that Rotary International will join in that announcement. It fits in nicely with the plans and the focus described in your proposal of March 29.  

Sincerely,  

Herbert A. Pigman  
General Secretary
