Dr. Albert B. Sabin  
Member of Neurotropic Virus  
Commission, U. S. Army.  
Consultant to the Secretary  
of War on Epidemic Diseases.

Dear Dr. Sabin:

This is to notify you that the occupational deferment for  
Mr. Irving Foch Henry has been granted by this local board,  
becoming immediately effective until March 15, 1943.  

This registrant will receive notice of his new classification  
immediately through the mail.

Yours sincerely,

Dr. R. F. McClain  
Chairman
