Dear Dr. Sabin:

Thank you for your letter of October 16th.

I will write you later regarding the matter  
of our proposed scientific exhibit on poliomyelitis.

I am delighted that you have accepted my invitation to the Reception and Dinner. A program of the Medical Meeting was sent to you, as I thought it would of interest. Only Committee members attend Committee meetings. They are not open sessions.

I am looking forward to seeing you on the evening of November 7th.

Sincerely yours,
