Dear Mr. [Name]

In reply to your letter of June 20 asking whether you and Mrs. [Name] could come out to see me, I would like to suggest that you first ask Dr. [Name] to telephone me. He could give me the necessary details, which I would need to form any sort of opinion; and I could then know whether or not there might be any point to your coming to see me.

I should like you to know, however, that if you would prefer to come to see me and talk to me about this, I would suggest that you indicate to Dr. [Name] when he telephones me a time that may be suitable for you, so that I may make the appointment at that time.

Sincerely yours,

Albert B. Sabin, M. D.
