Dear

"Paula Ben Gurion Stipend Fund"

(Under the patronage of the President of the State of Israel, Mr. Zalman Shazar)

After the recent death of Paula Ben Gurion, her friends have initiated a project to perpetuate her memory at the Midrasha of Sdeh Boker.

During the last days of her life, Paula Ben Gurion expressed deep concern about the large number of students and pupils at the educational institutions of the Midrasha who do not have the means to cover the fees and the expenses of their stay at the boarding school.

We therefore thought it fitting to give practical expression to what may be construed as Paula Ben Gurion's last wish, by establishing the "Paula Ben Gurion Stipend Fund".

The interest accruing to the fund from its suitably invested capital will be used to assist needy students of the Midrasha. Preference will be given to children from development towns, children of new immigrants and children from families affected by the Six Day War.

We should be deeply grateful if you would agree to participate in this project and to assure its success by your help.

The sum needed for each grant is $500 which should be made payable to:

"Paula Ben Gurion Stipend Fund",
Account no. 105/12830-2,
Foreign Trade Bank,
Beersheba
Israel.

Very sincerely yours,

Ernst D. Bergmann       Teddy Kollek       Avraham Tsivion
