September 5, 1950

Secretary, Medical Fellowship Board
National Research Council
2101 Constitution Avenue
Washington 25, D.C.

Dear Miss Bowen:

I started my fellowship work under Dr. Albert B. Sabin on September 1, 1950. This date is one month earlier than the scheduled date of October 1, 1950. If this change does not create any inconvenience to the National Research Council, I would appreciate having September 1, 1950 designated as the official beginning of the fellowship.

Sincerely yours,

Robert Chanock
