Dear Albert:

We have just heard that the official dates for the meetings at the Hebrew University will be July 9th to the 12th inclusive. Don't know how this fits into your plans but thought that if you were made aware of these dates, you might consider changing your schedule that calls for arrival in Israel next week.

Bob, Beth, and the boys will be returning home before the first of the month so we can't figure on them for this trip but I am hopeful that we can make it with them next year if all is well.

A note from you concerning your plans will be appreciated and until further,
