Dear Augusto,

This is to thank you and Francesca for your very kind Christmas and New Year's greetings and for sending me a reprint of the biographical sketch that you were kind enough to write about me. It looks like it appeared in an encyclopedia and I would appreciate it if you could send me the name of the publication in which it appeared.

It has been much too long since we have had an opportunity to see you and Francesca. Heloisa and I will arrive in Milano on April 2 and expect to remain in Italy at least until April 18. Enclosed herewith is the itinerary for our coming trip. I hope very much that we may have an opportunity to see you and Francesca either in Milano or at La Quercia when we are in Italy.

Best wishes and affectionate regards from Heloisa and me to both of you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Albert".
