Dear Mr. Giovannini:

I recall with pleasure our encounter in Naples on April 29 and the campaign that your newspaper had undertaken to have a street named after me in Naples.

Mrs. Sabin and I will arrive in Italy on October 15 and we expect to come to Naples from Milan at 2210 on Wednesday, October 18. We expect to spend some time in Naples on October 19 especially since this would be Mrs. Sabin's first visit there and subsequently we are planning to spend some time with our friends Prof. and Mrs. Flaviano Magrassi in Capri. I have asked Dr. Magrassi to make reservations for us at the Hotel Excelsior for the night of October 18. If you should be in the city on October 19 it would give us great pleasure to see you.

I would also be very much interested to know whether your recommendation for the naming of a street after me has already been accepted.

With best wishes and kindest personal regards,

Sincerely yours,

Albert B. Sabin, M. D.
