Dear Dr. Sabin,

I am writing to congratulate about the reprint and the bill in the following sense. Five hundred ordered and two sent here to me. Four to Geneva to him. Bill sent to Geneva, invited to lecture.

Thank you very much for all the pains and efforts you take in the publication of your work. I am extremely grateful to you.

With my best regards,

Sincerely yours,

P.S. I asked Bougrat for confirming directly to you this agreement, for avoiding any loss of time.
