Dear Dr. Sabin:

The name of Robert J. Huebner of the Department of Health, Education, and Welfare has been placed in nomination for a Rockefeller Public Service Award in the field of Science, Technology, or Engineering. Your name has been suggested as a possible "seconder" of this nomination. If Dr. Huebner's nomination has your support, would you please give me a fairly full indication of it and the reasons for it.

I am enclosing for your information a copy of the formal announcement of the 1965 Rockefeller Public Service Awards program so that you will know what it is that I ask you to undertake. You will see from the list of the previous Award recipients the caliber of person the Committee is seeking to honor.

Your cooperation in helping this program, which we believe to be highly worthwhile, will be greatly appreciated.

Yours sincerely,

R. W. van de Velde
Faculty Secretary
