January 18, 1960

Dear Doctor Sabin:

This year marks the 78th anniversary of the birth of Franklin Delano Roosevelt. As Chairman of the Franklin Delano Roosevelt Birthday Memorial Committee, it is my honor and pleasure to invite you and Mrs. Sabin to be my guests at a small dinner on January 29, 1960, for those who have been interested and active in preserving his memory.

The Birthday Memorial Committee celebration this year is to be of a more personal nature than in the past. A few people who were closely associated with Mr. Roosevelt will talk about him and we will dedicate an inscribed folio of the names of contributors to the annual Memorial Fund contribution to the work of The National Foundation. This folio is to become a part of the permanent records of the library at Hyde Park.

The dinner will be held at The Waldorf Astoria in the Louis XVI Room at 7:30. Mrs. O'Connor and I would
be pleased to have you join us there for cocktails at 6:45. May I look forward to seeing you?

Sincerely yours,

[Signature]

Doctor Albert B. Sabin
