Dear Dr. and Mrs. Sabin

We have much enjoyed having you here in Osaka and I am afraid you have been exhausted during your stay here.

I enclose herewith your pictures in my home, Nara and "Rogetsu" (Japanese restaurant of paper Pan). In addition, pictures of your I took when I visited your home are also enclosed. I hope these will be a good memory of your travelling.

I have also sent to you a book on historical Japanese medicine (in French) by ship mail.

My wife Hiroko wishes to send her best regards to you and we acknowledged your nice card of thanks.

With warmest personal regards

Michiaki Takahashi M.D.
