Dear Dr. Sabin:

For a forthcoming printing of the Encyclopaedia Britannica we are planning to include the article THEILER, MAX (200 words).

I am writing to ask if you will be able to accept this assignment. The new material should not exceed the specified length and the Britannica rate of payment--two cents per word for new copy--will apply. The deadline for this copy is April 1, 1958.

We shall look forward to hearing from you at your earliest convenience.

Sincerely yours,

Walter Yust
