Dear Dr. Sabin:

We have received a communication from our committee in
The Netherlands nominating Dr. Jan B. Wilterdink for one of our
International Postdoctoral Research Fellowships. As you will
note from the enclosed copy of the application Dr. Wilterdink
has named you as his sponsor for this fellowship. While we
do have a copy of a letter in which you indicate that you
would be pleased to have him in your laboratory, for completion
of our files we will need to have the enclosed Facilities and
Commitment Statement filled out and signed.

You will also find enclosed an Information Statement
describing the International Fellowship Program.

It will be appreciated if you will return the completed
Facilities and Commitment Statement as soon as convenient.

If you have any questions please feel free to write to
me at any time.

Sincerely yours,

Ronald E. Scantlebury, Ph.D.
