Dr. Albert Sabin,
Children's Hospital Research Foundation,
Cincinnati, Ohio.

Dear Albert:

Dr. Antonio Vilches, whom you know, is in this country for about six weeks. He would like to spend one day with you in Cincinnati on or about May 21st. I would be most grateful for anything you could do for him. For the next two weeks he will be with Dr. Ipsen at the Massachusetts State Laboratories and, if it is convenient for you to see him, you could notify him there or, alternately, you could let me know and I will inform him.

Yours very sincerely,

Geoffrey W. Rake
