Gentlemen:

Receipt is acknowledged of your letter dated 6 June 1956, containing an inventory of nonexpendable Government property applicable to above-captioned contract as of 15 May 1956.

A comparison of the listing with the records of this office indicates that the following items have been previously reported as being on hand but have been omitted from the current listing:

1 Ultraviolet Apparatus, Complete  
1 Switch, Time

It is requested that an addendum to the inventory be furnished this office, to include the above-listed items, or in lieu thereof, an explanatory statement concerning their present status.

Your cooperation in this matter will be appreciated.

Sincerely yours,
