RE: Terminal Patent Report
Contract No. W 49-007-ND-490

Contractor: The Children's Hospital Research Foundation

Dear Sir:

To the best of my knowledge and belief:

1. No inventions or discoveries of the nature requiring a patent report were made while carrying out the work under the above contract.

   (If no inventions were made, initial here)

2. No inventions or discoveries of the nature requiring a patent report were made while carrying out the work under the above contract, except the inventions already reported and covered by the Invention Disclosures listed as follows:

   INVENTION DISCLOSURES REPORTED TO THE SURGEON GENERAL:

   (If all inventions have been reported, initial here)

3. There are \( \text{None} \) unreported inventions made under the above contract requiring patent reports. A report covering the inventions will be forwarded to the Office of The Surgeon General within 30 days.

   (If all inventions have not been reported, insert number still due and initial here)

Yours very truly,

CONTRACTOR:

The Children's Hospital Research Foundation
