Medical Property Officer  
Department of The Army  
Office of The Surgeon General  
Washington 25, D. C.

Dear Sir:  

Re: Contract No. W 49-007-md-400

In accord with Colonel Gruber's request of 21 June 1950 for a terminal accounting of this contract by 31 October 1950, we are itemizing below the nonexpendable supplies purchased with funds from this contract:

1 only Angle Centrifuge, Type SS/1, complete with rotor, motor for 110 volts AC, 60 cycles, and variable transformers.

1 only Item No. 10-1008, Electric Interval Timer Switch, Model 80, 0 to 60 minutes timing range.

1 only Item No. 10-1009, 6-foot extension cord.

1 only Item No. 10-1004, DuPont fabricoid dustcover.

1 only Item 10-1007, "Lightning" speed counter.

12 doz. Item No. 1-107, cellulose nitrate unbreakable tubes, 15 ml.

6 doz. Item No. 1-108, cellulose nitrate unbreakable tubes, 50 ml.

4 only Item No. 5-15, metal wire hooks.

8 only Item No. 5-11, bakelite adapters.

1 only Item No. 10-1003, protective guard of perforated steel for Type SS/1 centrifuge.

16 only Item No. 5-12, lucite covers for Item No. 1-107, cellulose nitrate tubes.

16 only Item No. 5-13, lucite covers for Item No. 1-108, cellulose nitrate tubes.

Although we have listed only nonexpendable supplies purchased under this particular contract, we are also in the possession of such items purchased under previous contracts; and we will furnish your
