2. In behalf of the President and Members of the Armed Forces Epidemiological Board, I wish to extend to you a most cordial invitation to attend any and all of the cited meetings or to send such representatives as you may desire to these meetings. If you have any items for inclusion on the agenda for any meeting, or any problems you wish to have discussed, your suggestions will be most welcome; early submission of such material, preferably in writing, would be appreciated, in order to afford the members ample time for consideration.

3. To assist this office and the Commission Directors in preparing for the meetings, it would be appreciated if the name(s) of the representative(s) who desire to attend be furnished this office at an early date. It would also be appreciated if such representative(s) would be prepared to give pertinent reports on current and future problems in the area of interest to the Commission concerned, as well as a report upon actions taken upon recommendations made by the Board.
