Dear Sir:

In accord with our telephone conversation Saturday morning, I am enclosing two copies of my orders for travel from Cincinnati, Ohio to Atlantic City to New York City and then return to Cincinnati. You indicated that you would be able to prepare the transportation request for this travel Monday morning so that I may pick them up when they are ready sometime before noon. I believe that the transportation request that will be required will be as follows:

1. Cincinnati to North Philadelphia, 1st Class, Lower Berth
2. North Philadelphia to Atlantic City, coach
3. Atlantic City to New York, coach
4. New York to Cincinnati, 1st Class, lower Berth.

All of these are on the Pennsylvania Railroad.

With many thanks,

Sincerely yours,

Albert B. Sabin, M.D.
