June 16, 1956

Dr. Willard H. Wright
Laboratory of Tropical Diseases
National Institutes of Health
Bethesda 14, Maryland

Dear Willard:

Thank you very much for your letter of June 12 and for the permit which just arrived. The present permit reads that it covers one shipment expected to arrive at New York via Scandinavian Air Ways on July 29th. Actually I shall be arriving on Pan American Flight 43 on July 29th at about 7:00 A. M. at Idlewild. Any help that I may have in expediting customs on arrival will be greatly appreciated.

I am sorry that we had so brief a time together in Washington but I hope that we can get together soon after my return.

With many thanks and kindest regards.

Sincerely yours,

Albert B. Sabin, M. D.
