June 30, 1954

Governor General
Libreville, Gabon
Middle Congo
French Equatorial Africa

Dear Sir:

This letter is to indicate that Trefflich's Bird & Animal Company of New York City, represented by Mr. Philip Carrol, has been designated as our agent for procuring young and healthy chimpanzees which are urgently needed for research on poliomyelitis.

Sincerely yours,

Albert B. Sabin, M.D.
Professor of Research Pediatrics
