Dear Albert:

In connection with your proposed poliomyelitis conference, if a meeting place has not yet been selected, you might give consideration to Asilomar, which is located at Pacific Grove, California, near Monterey Bay. Our Department is having a conference at Asilomar on the week end of June 3rd and 4th, and I am enclosing herewith descriptive circulars which were issued to Local Health Officers invited to attend our conference. As you can see, Asilomar is at some distance from large cities and represents the type of conference accommodations which you had in mind.

Sincerely yours,

Edwin H. Lennette, M.D., Chief
