Dr. Albert B. Sabin
University of Cincinnati
College of Medicine
Cincinnati, Ohio

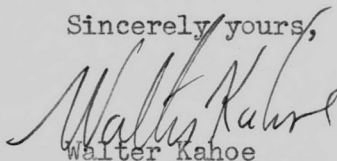

Dear Dr. Sabin:

Attached herewith are four copies of the September 10, 1957, issue of MEDICAL SCIENCE. This contains on page 33 a short summary of the paper you presented at the recent neurological meeting, held in Brussels.

I thought you would be interested in seeing this write-up and having a copy of the magazine for your files.

Best wishes.

Sincerely yours,

Walter Kahoe
Executive Editor
