Albert B. Sabin, M.D.
The Children's Hospital
Research Foundation
Elland Avenue and Bethesda
Cincinnati 29, Ohio

Dear Albert:

Thanks for sending me the mimeographed copies of the paper that you gave in New York City on January 26th at the Symposium on Perspectives in Virology II.

I am sending copies of this paper to all of our Vaccine Advisory Committee members. The names to whom the paper is being sent follow: Doctors Thomas B. Turner, Richard E. Shope, Frank L. Horsfall, Jr., Thomas Francis, Jr., John R. Paul, David Bodian, John P. Fox, Renato Dulbecco, Neal Nathanson, Joseph E. Smadel, Felix Moore, Herman Hilleboe.

The remaining three copies will be used here at Headquarters. Many thanks.

Sincerely yours,

Thomas M. Rivers, M.D.
Vice President—Medical Affairs
