Dr. Albert B. Sabin  
The Children's Hospital Research Foundation  
Elland Ave. and Bethesda  
Cincinnati, Ohio.

Dear Albert:

Thanks for your letter of March 19th. I am glad that we seem to be in agreement on all principle points.

I wonder whether you have any of the original material, either pus, lymph node or cerebro spinal fluid. If so, I wonder whether you could spare me a little of one or all three of these materials.

Yours sincerely,

G. W. Rake
