Prof. Dott. Domenico d'Antona
Istituto Sieroterapico E Vaccinogeno Toscano
Siena, Italy

Dear Dr. d'Antona:

I am sending you herewith, with my signatures appended, two originals and one carbon copy of the license agreement. On advice of Mr. J. Lee Murphy of the law office of Davies, Richberg, Tydings, Landa and Duff of Washington, D. C., I have made the following changes:

Page 2 - the clause which I originally eliminated was reinstated, changing the word "exclusive" to "nonexclusive".

Page 7 - the portion reading "the Sabin method" has been changed to read: "the name Sabin".

These changes have been made in the English version but not in the Italian version.

I greatly enjoyed my recent visit to Siena, and was delighted to see the great progress that you were making. I hope that by this time specific action may have been taken by the Italian government with relation to polio vaccination.

With best wishes and kindest regards.

Sincerely yours,

Albert B. Sabin, M. D.
