Elland Avenue and Bethesda  
Cincinnati 29, Ohio  

Dear Albert:  

Thank you very much for sending me a copy of your manuscript entitled "Effectiveness of Community-Wide Vaccination with Oral Attenuated Poliomyelitis Vaccine in Cincinnati." Dr. Danielson tells me you have submitted this for publication, and he has passed along the information on the suggested type of children to use for testing the antibody response on lots of vaccine prepared here.  

Best regards.  

Sincerely yours,  

Benjamin W. Carey, M. D.  
Medical Director
