Albert B. Sabin, M. D.
The Children's Hospital Research Foundation
Elland Avenue and Bethesda
Cincinnati 29, Ohio

Dear Doctor Sabin:

The 50 ml. quantities of original Type 1 and Type 2 vaccine have arrived in good condition. Thank you for your generosity and courtesy in this matter. We will be pleased to inform you of the results of our attempt to prepare adventitious agent free working seed virus from this material.

With best wishes.

Sincerely yours,

CHAS. PFIZER & CO., INC.
