Dr. A. B. Sabin  
The Children's Hospital Research Foundation  
Elland Avenue and Bethesda  
Cincinnati 29, Ohio

Dear Dr. Sabin:

Enclosed is a manuscript entitled, "The  
Maturation and Release of Infectious Polio and  
Coxsackie Viruses in Individual Tissue Cultured  
Cells", by Thelma H. Dunnebacke and R. C. Williams,  
which we should like to have considered for  
publication in Archiv Für Die Gesamte Virusforschung.

Thank you very much.

Sincerely,

Thelma H. Dunnebacke
