Dear Professor Sabin,

The enclosed article entitled: "RAPID TITRATION OF SV-40 VIRUS BY THE IMMUNO-FLUORESCENT TECHNIQUE" by Drs. Ravid, Margalith and Goldblum, has been submitted for publication in our journal and your name has been suggested as a referee. If you agree to review it for us, would you be kind enough to return the manuscript by airmail as early as possible. We naturally guarantee your anonymity and ask you to treat the manuscript as confidential.

Please let us have your comments, in triplicate, on the attached reviewer's sheets (unsigned), rather than mark the manuscript. We would appreciate your grading the paper as superior, good, acceptable (with revision) or unacceptable on both its scientific merit and its form. We are also interested in the suitability of the abstract, the illustrations, diction and style and any specific suggestions you care to make.

With many thanks in advance for your co-operation and anticipating your very early reply.

Yours sincerely,

M. Prywes, M.D.
Editor-in-Chief

P.S. Hope your health much better.
