Dear Doctor: Sabin

The attached manuscript by: John Furesz

entitled: ANTIBODY RESPONSE OF ROOSTERS TO POLIOMYELITIS VIRUS

consists of 15 pages of text and references, 6 tables and 1 figures.

Would you be good enough to review it and return your comments in DUPLICATE as an anonymous memorandum to the author. (The third copy may be retained for your own files). Please use an additional sheet if necessary.

If you cannot referee the manuscript in the next 10-14 days, will you return it for referral to someone else?

Sincerely yours,

JOHN Y. SUGG
Editor-in-Chief

COMMENT: Referee #1

This paper contains significant new information particularly with reference to the development of heterotypic antibodies following inoculation of the 3 different types of poliovirus. Recommend publication.
