Elland Avenue and Bethesda
Cincinnati 29, Ohio

Dear Dr. Sabin:

Many thanks for the suggestions made in your letter of November 16 in response to the newsletter sent recently to the members of the Medical Tribune Editorial Advisory Board. We will act on your suggestions with invitations to the physicians concerned, mentioning that you felt they might participate in the "In Consultation" feature.

Your prompt response and continuing interest are deeply appreciated.

Sincerely,

Joseph Gennis, M. D.
Director
