Dear Dr. Sabin:

I am enclosing for your approval, or for any corrections that you may wish to make, a copy of the interview that you granted me on your arrival in New York last Thursday night. I would appreciate it very much if you could give this your earliest attention so that I can release it for publication.

May I take this opportunity of thanking you for your cooperation and at the same time apologize for having burdened you at such a late hour and after such an arduous trip.

Sincerely yours,
