Dr. Waldo E. Nelson
Editor, The Journal of Pediatrics
3300 Henry Avenue
Philadelphia, Pennsylvania 19129

Dear Bill,

The enclosed manuscript was rather late in reaching me because your secretary addressed the envelope to Cleveland rather than to Cincinnati.

This paper is not very well written but if the authors are willing to make the suggested changes I believe that it ought to be published.

With best wishes and kindest personal regards.

Sincerely yours,

Albert B. Sabin, M. D.

ABS:meh

Enclosure.
