Dear Dr. Hemmes:

In reply to your letter of 23 November I can only suggest that you might try sending your paper on gamma globulin to the American Journal of Public Health (Dr. C.-E. A. Winslow, Editor, American Journal of Public Health, 1790 Broadway, New York 19, New York). I should point out, however, that I am not at all certain that they are likely to publish this type of communication.

With all good wishes,

Sincerely yours,

Albert B. Sabin, M.D.
