Dr. Marvin M. Harris  
Chief, Cancer Virology Program  
Virology Research Resources Branch  
National Cancer Institute  
Bldg. T-19, Room 116 C  
Bethesda 14, Maryland

Dear Dr. Harris:

I regret that long absence from the United States and the pressure of many other activities will prevent me from attending the meeting of the Enterovirus Committee on November 6.

With best wishes and kindest regards.

Sincerely yours,

Albert B. Sabin, M. D.
