Doctor Albert B. Sabin  
The Children's Hospital  
Research Foundation  
Cincinnati, Ohio

Dear Doctor Sabin:

Doctor Warren has suggested and we have enthusiastically agreed that it would be highly desirable that you accept a full term of five years on the new Tropical Medicine Study Section. If you will agree to accept this longer term of service, we shall appreciate your advising us now so that the revised rosters of study sections may show the proper term.

It will probably be of interest to you that Doctor Warren has also suggested and we have agreed to invite Doctor Paul Russell to serve as Chairman of the Tropical Medicine Study Section. If Doctor Russell accepts the invitation, immediate advice will be forwarded to all members of the Section.

Sincerely yours,

David E. Price, M.D., Dr. P.H.  
Chief, Division of Research  
Grants and Fellowships
