Dear Doctor Sabin:

In checking our records we find we do not appear to have received 500 reprints of the following article:

Title: "Present Status of Living Attenuated Poliovirus Vaccine"

Authors: Sabin, A.B.

These reprints were requested in our letter to you dated: 6/20/56

In order to meet the deadline for compiling the 1956 volume of "Collected Reprints of the Grantees" we shall greatly appreciate it if you will let us know as soon as possible whether these reprints have been ordered.

Will you also please advise us whether this paper was published in 1956 indicating the name of the journal and particular issue in which it appeared. For your convenience, a return postal is enclosed.

Thank you for your prompt attention to this matter.

Sincerely yours,

Catherine Worthingham, Ph.D.
Director of Professional Education
